

Learning Blog Padarn

What a busy week we've had in nursery! We've been rehearsing our Christmas production and really enjoying stepping into character. We have been thrilled to dress up in our beautiful nativity costumes and we hope that you are all excited and looking forward to seeing us perform on-line.

We have continued to learn about a special baby called Jesus and the real meaning of Christmas. We have enjoyed looking at our different nativity story books and talking about them. We have had fun creating a beautiful star that shone brightly over Bethlehem, using lollipop sticks and buttons. We are so proud of them.

We have created our own stable, using the small wooden blocks and some material. We have chosen the animals that visited baby Jesus in the stable, long, long ago. There were donkeys, oxen, sheep and baby lambs. We looked after the animals and fed them hay.

Mrs Bugler made us nativity puppet characters on lollipop sticks. We have Mary, Joseph and baby Jesus. The donkey, the angel, the shepherds and the wise men. We have had so much fun playing with these so we asked Mrs Bugler if we could make our own set to take home for Christmas. We've been busy, carefully colouring them in. They are going to look super when finished on lollipop sticks.
