

Learning Blog Dosbarth Dyfrig

Another great week of online learning in Dyfrig! This week we have been learning about time! Time is such an important maths skill that we need in our daily lives, and I can see that everyone is mastering this 🙌. In literacy we have started a new focus on Pete and Polly Powers adventure! By the end of next week we will have built up the skills to write our own adventure story 🌐. In topic, we have continued our inquiry into the misty mountains by looking at vegetation belts. We learnt that temperature and altitude has a huge impact on how and where vegetation grows. In R.E. we became Judaism museum experts and gave a virtual lecture on a Jewish artefact.
